

Children and Youth

We are gearing up for this year's non-traditional Halloween event at JUMC. Kara has worked hard preparing bags of treats to be given out as families drive through the church parking lot on Oct. 31st from 10 AM until 1 PM. Thanks to those who have volunteered to help (if you'd like to help, please give Kara a call at: 270-505-9519).

BSA Troop 875-Painting Project

The low railing and posts around the JUMC parking lot were given a fresh coat of white paint in September by our BSA Troop 875. This was an Eagle Scout project. They did a great job!

Fall Décor

Thanks to Mary Lou Falvey and members of our worship team for always making sure that our sanctuary and altar are decorated for the many seasons of the Christian Year.

Thanks, to Carolyn Westfall for the beautiful decorations that she always provides in the large planters by the entrance to the building off the parking lot.

Laundromat Ministry

Dayron Reyes has begun to visit the Fresh Air Laundromat again on Wednesday afternoons. He takes the quarters that were donated this year to pay for people's laundry fees. If anyone would like to go with Dayron (you will stay outside on the sidewalk), please contact the church office.
