THE PASTOR PONDERES .....  
And Ponders and Ponders, Poor Guy!

“Look, the world has gone after him!” *John 12:19*

April is known for bringing with it spring showers. This year, as is often the case, April brings with it the excitement of opening day for Major League Baseball. Beyond these, April brings Easter as well. The joy of the resurrection of Christ from the tomb, along with the blooming flowers and budding trees, is enough to lift the doourest of spirits.

Yes, over a year of this pandemic has left us all a bit underwhelmed and fatigued. The drudgery of social distancing gives way to feelings of depression. Yet, as the end of this year-long pandemic is nearing, now comes Easter and the joy of spring's renewal.

Of course, Easter is something to get excited about! The resurrection of Jesus from the grave and His victory over death is of ultimate importance to all people. There has never been an event with such a profound effect upon the world. The relevance of this occurrence has ramifications on all of life today.

That's what the Pharisees were afraid of as Jesus' reception into Jerusalem swelled from curiosity to celebration on that epic Palm Sunday. The crowds had simply lost their minds! Enthusiasm rose as the energy of the crowd radiated out through the streets of the great city.

John 12:19 records the fear voiced by the religious leaders of the day. “Look, the world has gone after Him!” They could read emotions of the people and their readiness to follow their Messiah. It was a triumphant entry into the holy city at a time when visitors from all the realms of the earth would be there.

Excitement of this magnitude would get out. People would hear and Jesus' followers would grow many-fold. They were right – but they didn't know the half of it! Easter's message of our Lord's resurrection was the final act of a grand plan devised before the world was formed. God's will had played out in front of their eyes and there was nothing they could do.

Today, people in literally every nation in the world have heard the news. The pulse of Christ Jesus as living Lord leads to every imaginable act of kindness and compassion. Hospitals have been built and homes for children have been established, ministry centers for food and clothing have been created; all this and more have been dedicated to the glory of our Savior and King.

Truly, the world has gone after Jesus. No name is as universally well-known, no person has inspired such acts of adoration. People like you and me, living in places around the face of the globe, have found themselves to be fanatical about our faith (in a way in which it makes us better persons). The Pharisees were angry and displayed their vengeance in the form of Jesus' arrest, beating and crucifixion. Theirs was a simple plan – violent opposition to quell the movement.

Martin Luther King, Jr., was correct when he stated, “The question is not whether we will be extremists, but what kind of extremists we will be. Will we be extremists for hate or for love?” People like us, of course, we know where we fall in this equation. May God be glorified in all we do as witnesses of the power of the resurrection in our own lives.

Working to Build the Kingdom with you until Jesus returns! *Bro. Bob*

## **Children and Scouting Ministries**

**Children-**As March came to an end that means Easter is this week. During Lent our children did weekly lessons on what Lent is, learning about the 5 finger prayer, we learned about meditation (we made meditation jars), they had take home lessons on breath prayers and nature prayer walks. We missed our children on Palm Sunday where they usually parade through our worship service carrying palm branch's. Beginning in April we will have a dedicated space for our K-5 grade children to have children's church. This room is right across from the nursery. Any questions feel free to call, text or email Kara Mattingly. 270-505-9519

**Scouts-**Are very excited to be back in church learning together with hands on activities. They are continuing to advance through so they can earn the next rank. We did have one very special scout who already achieved his Webelo rank early. This was David Jr. Turner. If anyone is not familiar with David Jr. he has been battling DIPG. From his FB page "March 17 marked 35 months since David Jr was diagnosed with DIPG. When we found out he had cancer the doctors told us he may only live for 12 months; later I learned that most live for 9-12 months." Our scout family would appreciate sending prayers for David Jr. and his family. Pictured from left to right: Lynda his den leader, David Jr. & his parents Liz and David.

## **Food Program**

We are now partnering with KFC and Pizza Hut (hope to be partnering with Starbucks again soon), making weekly pickups and delivering to our homebound and others. If you or someone you know needs food, please contact the church office.

## **Seasonal Décor Lends to Heightened Awareness**

Visual enlightenment was created to increase our appreciation for the Lenten and Easter seasons in the way of a chancel altar display and a tomb display in the Gathering Area. These effects were made possible by the talents of three ladies in our church: Rosanne Broome, Mary Lou Falvey and Fran Pullias. We thank them for their hard work year-long keeping the inside of the church looking nice.

## **Outdoor Décor**

We appreciate Caroline Westfall's continued efforts to keep our outdoor decorations of plants and flowers nice for each holiday season! Recently, Caroline was planting flowers in our pots while David was doing yard work around the church. Appreciate both their efforts to make sure the church's appearance is at its best.

## **Easter Baskets**

Our children will be receiving Easter Baskets delivered to their homes. If you know of a family with children that could use a basket, please contact Kara Mattingly or the church office.
